

MAYRA MATEUS | The PiggyBank Artist

ABOUT MATEUS

Born in 1995 in Cali, Colombia, **Mayra Mateus**, known professionally as Mateus Art, is a pop artist based in Miami. In 2016, Mateus enrolled at **Miami Dade College** to formally **study art**. It was at MDC where she learned oil painting, realism, landscape and animal art. She was inspired to create a brand around a **piggy bank character** and has created a portfolio of various mediums incorporating this symbol.

LAST COLLECTION *I'm Fine*

Many of us tend to say that we are fine when in reality we are not. "I'm Fine" is the representation of our sensitive side, that part we don't like to show but unfortunately this is part of our path in this life **#depressionisreal**

LIMITED COLLECTION — 2021

MATEUS SURPRISES MULTI-MILLIONAIRE RD WILLINGTON WITH AMAZING PIECE OF ART

Mateus has gained fame with her "piggy banks" and her colorful designs on canvas, sculptures, cartoons, and even lingerie. The stunning Colombian unleashes her creativity, combining emblematic pop culture characters of all times, with daring scenarios that express the rebellion and freedom in today's society.

This time, Mateus Art created an incredibly unique piece of art, in which she illustrated the prototype of the Wires Only Formula 1 racing car, integrating the most famous sports teams such as Ferrari, BMW, Mercedes Benz and, of course, she included a fourth team that truly reflects her brand, the famous pink "piggies", in an artistic "competition" in which the only winner was RD Willington himself.

This piece took forty hours in the creative process, in a total of 4 days, in which aerosols, acrylic paints, and the unrivaled talent of Mayra Mateus were used.

DREAM SAVERS

The message portrayed with the piggy banks is the pursue of "Saving Dreams" the intention behind is to remind people the importance of pursuing dreams instead of money.
